Thank you!

The wall helps to define the space and keep the children in the nursery area, and the rocker/glider will be used to keep those babies happy and content for many years! Thank you so much Rust Family!

Honoring ILS Teachers

Today we thank all teachers who help train up God's children and honor three teachers for milestones of service in Lutheran Schools. We intended to do this January 20, but had to postpone due to weather. God's blessings!

Welcome, Rev. Salemink

Rev. Michael Salemink, director since 2015 of Lutherans for Life, is preaching today at Zion and Immanuel. He also spoke to students during our National Lutheran Schools Week celebration this past week. May the Lord bless his leadership and his message to us today!

Camp Lakeview Here

Camp Lakeview is visiting Immanuel this morning. They will have a display in the narthex following both services. Stop by, say hello, ask any questions you have about this summer, and find out the latest that is happening at camp. (And kids-there are free camp tattoos for you!) Thanks to Camp Lakeview's Ellie "Frisbee" Lutz for helping out with Sunday School today as well!

Immanuel's Academic Super Bowl team needs donations or long term loans of backgammon game boards. Donations can be dropped off at school or church office.

Luke 4:31-44: Jesus repeatedly demonstrated His divine nature through miracles of healing, casting out evil spirits and proclaiming the Good News of salvation. What a beautiful, powerful and caring Savior we have, and what a powerful message we have to share. As people of God, may we share this message with joy and boldness

Stained Glass Window Project Approved

The voters unanimously approved the Stained Glass Window Project last Sunday. This project would replace the 6 large bays of windows in the church on the south and north sides with beautiful and insulated stained glass.

In the center of each of the 6 large bays will be one of the windows from the 1890 church (currently in the atrium) that depict scenes in the life of Jesus, from His birth to His ascension. On either side of the original windows will be new windows that expand the story told and also bring its message into our time. Each of the large window units will have five panels in all. The old wood framing will be taken out and replaced with insulated aluminum framing with Bedford Limestone on the bottom inside and out.

We have contracted Butler/Vargo of Indianapolis for the stained glass work and Goecker Construction for the removal and placement as well as the stone work.

The total project budget is \$350,000, or \$12,000 per panel. This project is scheduled to take 18 months - completion date estimated for June, 2020, in line with the 150th anniversary celebration. Contributions for this beautification project can be made to the ILC Stained Glass Window Fund.

Giving App and Online Options

More and more members are using the convenience of an app on their phone or electronic funds transfer for their church offering. It is convenient and free! Want to check it out? Family Devotion Kits for February are available on the table in the hallway!

Camp Lakeview is visiting Immanuel this morning. They will have a display outside the Sanctuary following both services. Stop by, say hello, ask any questions you have about this summer, and find out the latest that is happening at camp. (And kids-there are free camp tattoos for you!)

150 X \$150 --> 150

The 150th Anniversary Committee challenges 150 families in our congregation to donate \$150 each toward the 150th Celebration!

Our committee is hard at work preparing for a wonderful celebration of Immanuel's 150th Anniversary in 2020! We already have commitments from Dr. Dale Meyer and President Matthew Harrison to keynote special services. We are also working on a reunion of vicars, several celebration meals, guest preaching by sons of the congregation, and an updated history. Since this is not to be funded by the budget, we are hoping that 150 (or more) members will contribute \$150 (or more or less) to cover costs that will be incurred. Several have already done so! If you would like to be part of this, please bring or mail a check to the church office. If you choose to use an offering envelope, please make sure the envelope and check clearly identify "150th." Thanks!

This week at Financial Peace University (Sundays at 5 pm), Kyle and Alyssa Gentry will be leading the group in a discussion entitled "Buyer Beware".
