

Eye Glass Collection

Immanuel LWML is going to collect eye glasses till the end of the year. They can be placed in a box that is located in the hall between the narthex and the atrium by the large LWML mite box.

The cost of a pair of glasses in many developing nations can exceed a month's salary. Without assistance from MOST Ministries, hundreds of thousands of people would go without the glasses they need to work, read or attend school. MOST Ministries often provides the only pair of eyeglasses a person will ever own. We invite you to join us in reaching the world that has yet to hear the Good News of God's love and saving grace through our eye-glass ministry.

Great Commission

Mark 7:14-23

So many of the Pharisees and teachers of the Law in Jesus' day were preoccupied with rituals and ceremonies instead of worshiping the only true God from their heart. Our hearts overflow with the truth of God's saving grace as we believers share the Good News of Jesus with people who are still living in spiritual darkness.
