Dear member of Immanuel:

God has given you gifts to be used within the body of Christ. St. Paul wrote: *"We have different gifts according to the grace given us."* Rom. 12:4-6

Our gifts are not the same for good reason. We work together to accomplish the many things He asks us to do. There are hundreds of ways to contribute to the health and mission of our church, and each of them provide ways to be connected to other members.

We want to do what we can to make sure you can get involved in ways that you like. One thing we *cannot* do, however, is to read minds! Unless you tell us what you are interested in, we may not know.

The following pages are a very simple way to indicate your interests to us. Please check as many boxes as you like and return this form today. It will take only a few moments.

Returning the form *does not obligate* you to do any of the things you mark, but gives us the chance to let you know when such an opportunity is available. You can decide then whether or not the timing is right.

Each of us is gifted in some way by God to be of help in the work of the church, the body of Christ. God's blessings to you as you serve Him and fellow members of the body here!

Check as many boxes as you wish.
